

IN THE CLAIMS

Please cancel Group II, claims 9-15 without prejudice.

1. (Original) A display panel comprising a first substrate (2; 102) and a second substrate (3; 103) being separated from each other by spacers (4; 104) and sealing between them a space (7), at least one of the spacers (4; 104) being penetrated by a hole extending therethrough and through both of the substrates (2, 3; 102, 103) to form a through hole (5; 105; 205; 215) through the display panel (1; 100; 200), said at least one of the spacers (4; 104) and the substrates (2, 3; 102, 103) forming the wall (6; 106) of said through hole (5; 105) and sealing the space (7) from the through hole (5; 105).

2. (Original) A display panel according to claim 1, in which each spacer (4) having a through hole (5) is located outside the pixel areas (11) of the display panel (1).

3. (Previously Presented) A display panel according to claim 1, in which a plurality of through holes (5; 205), each extending through a respective one of the spacers (4) and through both of the substrates (2, 3) to form a through hole (5; 205) through the display panel (1; 200), are distributed over the surface (218) of the display panel (1; 200).

4. (Previously Presented) A display panel according to claim 1, in which the spacers (4; 104) are made of a visually decorative material.

5. (Previously Presented) A display panel according to claim 1, in which the display panel is an LCD-display (1; 100; 200), a foil display, an electro-wetting display, a polyled display, a fluorescent display, or a touch screen or pressure-sensitive display.

6. (Previously Presented) A display panel according to claim 1, in which the display panel (100; 200) is flexible or bendable and/or has flexible substrates.

7. (Previously Presented) A display panel according to claim 1, in which the display panel (100) has a plastic (102, 103) or steel substrate.

8. (Previously Presented) A display panel according to claim 1, in which the display panel (200) is adapted to be integrated in a wearable product.

Claims 9-15. (Cancelled).
